In no case this Warranty shall be extended to the replacement / return of product.
- This warranty for the Product will expire automatically upon completion of 12 months from the date of invoice, irrespective of the period the product was / was not in use by the Purchaser or was not giving proper performance or was under breakdown or the time taken for repair / replacement of defective parts or even if some part/s have been repaired or replaced during the Warranty period.
- Call registered with the centralized helpline/authorized service center, wherein only cleaning of the unit/ parts in the unit due to dust accumulation on portions of the unit, general explanations/returning, are not to be considered as defects.
- If any coloured internal or external components are replaced, there will be commitment to ensure that the shades match with the original or other components. The replaced shades, patterns, tints may vary from the Purchaser's unit due to continuous usage of the unit. Any matching components changed at Purchaser's request will be on chargeable basis except the component which actually needed.

- For the Product installed outside the municipal limits of the city jurisdiction, to and fro expenses incurred in collecting the Product or parts thereof and expenses incurred lodging, boarding conveyance and other incidental charges will be borne by the Purchaser and shall be payable in advance.
- In chase of shifting of Product by the original Purchaser, then in order to avail continuing Warranty on the Product, the Purchaser should call DAIPL's authorised representative/dealer for carrying out any alteration in the Installation of the Product. The responsibility including expenses for shifting/transportation/ transit insurance of the Products shall rest with the Purchaser. The charges toward repair/replacement of parts consequent to shifting, if any, will be to Purchaser's account.
- DAIPL undertakes no liability for any direct, indirect and consequential losses, damages such as loss of profit, loss of goodwill, loss of life etc. and/or damages caused to the Purchaser or third party due to non or partial performance of the Product or any part thereof.
- The Purchaser should preserve the original invoice and Warranty Card for necessary verification and produce it at the time of service.
- The nominal capacity of Product is at standard test condition. Any deviation in the condition either on outdoor or indoor side will affect the Product performance.
- The decision of DAIPL with regard to the settlement of all claims under this Warranty shall be final.
- Courts in Delhi shall have exclusive jurisdiction in the event of any dispute.

CONDITIONS UNDER WHICH THIS WARRANTY SHALL BECOME VOID

The First Purchaser clearly understands and agrees that the warranty conditions shall be null and void, if:

- The Product is transferred by the First Purchaser to any person.
- The Warranty Card is not completed properly at the time of purchase of Product.
- The completed warranty Card is not presented to authorized service personnel at the time of service of the Product.
- The Product is not operated according to instructions given in the Operating Instruction Booklet.
- Installation of Product by any person other than DAIPL's authorised dealer/representative.
- Use of spurious fragile parts, such as front grill, knobs, louvers, air filters etc.
- Presence of foreign objects in the Product.
- Product connected to improper power supply.
- Damage to the Product due to operation in an abnormally corrosive alkaline/acidic atmosphere.
- Damage resulting due to any defect which is not immediately notified to DAIPL and/or its Authorised dealer / representative.
- Any defect or damage resulting due to improper maintenance of Product.
- Removal, obliteration or alteration of original serial number of the Product including compressor and other parts.
- Defects are caused beyond control of DAIPL like lightening, abnormal voltage, Acts of God, environmental conditions, negligence of Purchaser in using Product or while in transit to service center or Purchaser's place of usage of Product.
- Damage to the Product or any part/s due to transportation or shifting is not covered under Warranty.
- The Warranty of the Product is void, if the failure of the compressor is due to lack of proper preventive maintenance of the Product by the Purchaser or if the Product is repaired or attended by an unauthorized person. DAIPL's decision in this regard will be final and binding on the Purchaser.
